Mr. Carl Belcher
Criminal Division
Department of Justice
Washington, D.C.

Dear Mr. Belcher,

In writing you, there is a request I forgot.

I would like to get a set of the evidence, including affidavits, entered into evidence in the Ray extradition hearing in London.

From the papers, I gather this material is in the public domain.

Also, I should like to read the transcript. Would you please tell me what is necessary to arrange this?

If the various press statements by the Attorney General and others in the Department of Justice were prepared releases or if the texts are available, I would also appreciate a set of them.

I hope this presents no problem to any of you. Thank you very much.

Sincerely,

Harold Weisberg
